## COURSE GUIDELINES

1. Always play after 10 p.m. when the campus will be pretty empty.
2. Please try to use standard recreational frisbees (130 to 175 g). This is an amateur course!
3. A running start is only allowed from the tee box. A two-step may be taken in the fairway (i.e. left foot, right foot, throw).
4. You must know your cardinal directions on campus (north, east, west, south).
5. Be creative! Use a forehand or a hammer whenever you can.
4. If the pin is an area on the ground, only part of the disc must be in the area.
5. Be extremely careful around trees and buildings, or you will LOSE YOUR DISC!
6. Consider carrying a backpack or fanny pack with a flashlight, guide, pencil, and keys.
7. If a group is playing at a quicker pace, please let them play through.
8. Remember, it's a college 1st, disc golf course 2nd. Give way to all peds and cyclists.

## 16<sup>TH</sup> HOLE – SPRING ON THE QUAD (5)

*This is probably the hardest hole on the course. You need distance, accuracy and putting. Keep the disc on the fairway!*

**START** at the south end of the Quad. Throw NORTH, using the path as the fairway. Stay clear of the trees.

**END** by hitting the flagpole at the north end of the Quad, just to the right of the path.

## 16.5<sup>TH</sup> HOLE – REDEMPTION (0)

**START** on the east side second floor patio of the Memorial Union. Throw EAST into the MU fountain.

**LOOKING NORTH UP WEST QUAD ROAD TOWARDS FREEBORN HALL**

**START** next to the oak tree and throw NORTH, down West Quad Road.

**TURN** right before Freeborn Hall and throw EAST towards the bookstore.

**END** by landing on the UC Davis seal.

**THE SEAL OF THE GREAT UNIVERSITY OF CALIFORNIA, DAVIS.**
