## Education for Sustainable Living Program (ESLP)

- **2-unit seminar** series with weekly lectures by renowned educators, authors, and progressive thinkers.
- **Encourages reflection** upon and analysis of principles of sustainability.
- **Promotes dialogue** between students, faculty, staff administration, and the local community.
- Participate in **Action Research Teams (ART's)** for 2 additional units, focusing on sustainable transportation, food systems, energy reduction, green building, etc.
