

## Car Planges 100 Feet Off Enad; One Killed

WALNUT RIDGE, Ark., Jan. 15(UP)—One man was dead and another reviously injured today folloaling a 105 foot plunge from a
bridge near here late yesterday.

The dead man is Ed Hertz, 49,
and Harry Gray is in a local hospital with slight chances to recover,
physicians said.

The car proceeded about 100
feet across the bridge when it suddenly skidded and plunged thru
the guard rail. Both men were
unconscious when found later by
passing motorists.

Harry Gray injured in car crash. This is the only article I've been able to find thus far about the incident that would result in a lawsuit against Harry Bovay's bridge company.
