THE Benefactor is infallible for the immediate removal of Obstructions, Irregularities, Prolapsus Uteri (falling of the womb), Leucorrhœa or Whites, and all the diseases peculiar to females.
This remedy has never in a single case failed in producing the Menses. I have received many letters of recommendation, which all say, "It is the best remedy we have ever used." Sickness at stomach, headache, languor, debility, pains in the head, side and back, loss of appetite, confusion, &c., are some of the symptoms which attend irregular menstruation. This remedy is certain to remove one and all of these symptoms.
Be sure and get the genuine, which has my signature on each box. This remedy can be had by addressing J. S. SHEPPARD, West Fourth street, Cincinnati, and inclosing $2, and the remedy will be sent by return mail.
N. B. Ladies who are pregnant should not use this remedy, as it is sure to bring on miscarriage, though no injury to health would follow. One box, $2, three boxes $5. All letters of inquiry must contain a postage stamp to ensure an answer.

TO MARRIED MEN AND WOMEN
Sheppard's Oriental
PREVENTIVE to CONCEPTION!
THIS is the only true preventative ever discovered—and it never fails.
This preventive is perfectly simple in its use, and does not injure the health or system in many of the formulas of the day.
This valuable preventative has the extraordinary power of preventing conception, and thus placing in the hands of women the means of preventing conception, and of protecting in harmless ill-effecting ways from malformation, weak, debilitated and consumptive constitutions, or other causes, it becomes necessary, prudent and imperative that they should not bear children.
No one can tell what an inestimable boon this preventative is to women, but those who have thus been discomfited for prolonging the fearful ordeal of child bearing and have suffered under its terrible affliction, and in after life of misery and wretchedness. Who can tell the amount of human life which has been sacrificed owing to a want of the knowledge of this the only true preventative.
I warrant it never to fail in preventing conception. It is neatly put up in packages—and can be sent by mail to any part of the United States, on receipt of $3 for whole package, or $2 for half package. Sent secure from observation.

West Fourth St., Cincinnati, Ohio.

HOWARD ASSOCIATION,
PHILADELPHIA.
THE Howard Association, in view of the great increase of Diseases the result of solitary habits, and the deceptions practiced upon unfortunates victimized each disease by Quacks, would call the attention of the afflicted to the fact that the Association has established a Consulting Surgeon, a Graduate of the University of Pennsylvania, Member of the Royal College of Surgeons, London, Ex-physician to all the Lock Hospitals in the City of Philadelphia, &c., &c., whose whole attention is directed to the treatment of the class of diseases, in all their complicated forms. Medical advice can be had without charge, either personally or by letter, with a description of the case. All letters must contain a fee of $5, and in cases of extreme poverty, the Medicines free of charge. It is needless to add that the Association exists upon the principle that Medical skill is the property of the afflicted, and will furnish the most approved modern treatment.
The Directors of the Association, in their annual Report upon the treatment of Sexual Diseases, for the year ending January 1st, 1858, express the highest satisfaction with the results which has attended the labors of the Consulting Surgeon in the cure of Spermatorrhœa, Seminal Weakness, Impotency, Gonorrhœa, Gleet, Syphilis, the vice of Onanism or Self-abuse, &c., and order a continuance of the same plan for the ensuing year.
The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort, have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves with renewed zeal, to this very important but much despised cause.
An admirable Report on Spermatorrhœa, or Seminal Weakness, the Vice of Onanism, Masturbation or Self-Abuse, and other Diseases of the sexual organs, by the Consulting Surgeon, which will be sent by mail, in a sealed letter envelope, free of charge, on receipt of two stamps for postage. Other Reports and tracts on the nature and treatment of sexual diseases, &c., &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted, whereof the new remedies and methods of treatment discovered during the last year, are of great value.
Address, for Reports or treatment, Dr. J. MILLIS HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa.
By order of the Directors,
EZRA D. HEARTWELL, Pres't.

MOFFAT'S LIFE PILLS
AND
PHOENIX BITTERS.
THE BEST family medicine now before the public, for the cure of Scrofula, Ulcers, Scurvy, or Eruptions of the Skin, Fever and Ague, Dyspepsia, Dropsy, and in fact, almost all diseases peculiar to their climate properties.
It has been computed that during the last twenty-five years upwards of FOUR MILLIONS of persons have been benefited by the use of these medicines; facts which speak volumes in favor of their curative properties—a single trial will place them beyond the reach of competition in the estimate of every patient. By their use the blood is restored to a healthy state and freed from all impurities. The system is not reduced during their operation, but invigorated, and they require no restraint from business or pleasure.
The afflicted have in these medicines a remedy that will do for them all that medicine can possibly effect. Prepared by W. B. MOFFAT M. D. New York. For sale by J. W. PEIRCE & CO., Powhatan, and J. F. HARRIS & CO., Pocahontas.
