WALNUT RIDGE, Feb. 5.—Deputy Sheriff Estes, yesterday took Rufus Kincaid to the jail at Powhatan, where, in default of \$1,000 bond, he will remain until next term of the Lawrence Circuit Court. He is charged with having stolen a raft of logs in the Black River.

Marshal Houser, of this place, has an eye to business and proposes that no wrong doer shall get lonesome. Last night he raided a house and secured several, against whom he enters the charge of gambling. Among the number that he holds under that charge are two of the city's best young men.

Our sister city, Hoxie, which is one and a half miles from here, is building a handsome brick school building, for the use of the free school.

The young ladies of this place are preparing a surprise in the entertainment line. They are preparing to hold a Dairy Maid's Association, and from what your correspondent has heard of it, it promises to be something pleasing.
